Celebrating 75 Years!!

Sandy and Jimmy Graffam were the original Graffam Bros. Together they grew our lobster business to new heights. At one time trucks left Rockport harbor daily for Logan Airport to board airplanes to be flown all over the world.

Graffam Bros, lobster was even served at the White House for President Gerald Ford.

Today the 3rd and 4th Generation of Graffam's work side by side to provide the best seafood experience in Maine!
